November//December 2019

As 2019 comes to an end, we reflect back on the past months and trust God for the months to come. In 2019 we've seen God's hand move and His grace transform lives. We know He will continue doing so here in France in the future.

Speaking of the (near) future, would you pray with us for our kids' Christmas party on Saturday December 7th? We organize games, do crafts, eat goodies and of course the kids hear that Christmas is much more than presents and Santa Claus. Please pray as well for our annual Christmas outreach which is fast approaching. On Saturday, the 14th of December we will go into town caroling. We offer hot drinks to adults, candy canes to kids and everyone gets an invitation to our annual Christmas program, which is the following day. In our Christmas program we will have special music, a sketch and of course a message centered on the hope and beauty of God's great gift to mankind. It's one of our best attended services and we often have unsaved visitors. Pray their eyes will be opened to the real message of Christmas - Immanuel, God with us.

One last mention of the future. We will be returning to the U.S. in a few months for a summer furlough. We don't have specific dates yet, but count on us being around from roughly June the 20th to the 20th of August. If you would like to have us in to share more about what God is doing here, please email me at Autersonsnfrance@gmail.com.

We appreciate your faithfulness in 2019 and in the future.
