Loss

Antoine received a phone call towards the end of our church meal together and he went outside to be able to better hear. When he came back in, he looked at his wife and daughter and announced the grim news that their oldest son had died. The church family, with shock and broken hearts rallied around them, weeping and praying. We appreciate your prayers for the Nkokela family during this time of intense grief. We are thankful that their son knew Jesus as His Savior and is with him now.

Love

Saturday, our church family celebrated the love of two other members, with the wedding of Olivier and Catherine. There were many there who are unsaved and had never heard of God's love. Will you pray with us that lives will be touched because of what they experienced at the wedding?

Thanksgiving

Normally, we would already be preparing for our "annual" Thanksgiving dinner/outreach scheduled for November. Unfortunately, the town has decided that private citizens (who pay) get priority for the halls they offer. So even though we booked the hall months ago, a few weeks ago they gave it to a private-paying citizen. For now it's looking like we won't be able to get another hall to have it in. Thankfully, we are looking into a couple of different options for next year. Please pray that we would be able to continue doing this outreach, if not this year, then definitely in 2020!

As always, we continue to pray that God would add to the church those that need to be saved! Thank you for your faithful giving and praying that allows us to live and minister where God has called us!

In Christ,
