November/December 2020

The year 2020 seems destined to go out with flair. Between the global pandemic, fresh waves of terrorism and a tumultuous election, we can be encouraged that our citizenship is not of this world. 1 Kings 20 reminds us that while some think our God is limited to “the plains or the mountains”, HE is eternal and holds this world in His almighty hand.

The Christian walk is not a sprint, we all know that. Our church is enduring in these dark times, despite recent challenges. COVID 19 has closed the doors to our church building and terrorism seems to be threatening all around us. We remain steadfast in proclaiming the hope of the Gospel through personal interaction and by streaming our services on the web. Our online services are being shared by our people with others, as well as being viewed by many who seem unwilling to step foot in our building. To God be the glory!

Speaking of our building; our need remains the same. We know that the owner of our building plans to tear it down within the next year or 2 according to the city's urban development plans. As of today, we don't know where we will be meeting once our walls come down. We could build on a choice piece of property that the city has made available. However we only have roughly 1/3 of the needed amount. While the remaining \$200,000 doesn't grow on trees we are relying on the mighty hand of God. *Would you pray with us towards this end?* Would you ask the God of the plains and the mountains if you might be able to help towards our future?

With the approach of Thanksgiving comes the undeniable need to embrace gratefulness towards the Almighty. Embrace with us God's goodness in the past, present and future. After Thanksgiving of course, comes Christmas. If ever there was a reason to think of, pray for, and/or give to missions, Immanuel-God with us, gives us every reason.

Thank you for giving and praying so we can go and spread the Gospel!
