BAPTISMS, THANKFULNESS & ADVENT

- We're so thankful for the two baptisms we had on November 6th with several visitors in attendance! (Sylvie pictured above with Lance)
- On Saturday November 12th, we had a Thanksgiving dinner outreach (picture above) with crafts for the kids, photo props, and games for the whole family! We had around 50 people come and learn about Thanksgiving, watch a football game and hear Lance speak about gratitude. Please pray for all who attended.
- December promises to be busy as well with a kids Christmas party, caroling in town and our annual Christmas program. Please continue to pray that God will water the seeds that are and will be planted.
- May God bless you as remember His unspeakable gift to us !
