### UNRESOLVED PAIN

After playing a difficult piece on her guitar back in April, our oldest daughter, Kirianna, developed a mysterious pain in her wrists and forearms. After several doctor visits and exams, the pain persists, and no cause (or cure) has been found. **Please pray** with us for God's healing and guidance as we continue to seek care for her and find the reason for her pain. She is unable to write for too long and can no longer play guitar, draw, or lift things.

### SPECIAL EVENTS

Here is a list of special events to **pray** for in December:

- December 2 – **Pray** with us for our Kids Club Christmas party. We will have a time of crafts, games, sweet treats and the story of Christ's birth. Most of the children who come do not know Christ as Savior!
- December 9 - Christmas caroling and handing out invitations to our Christmas program at a local Christmas market. **Pray** that this would be well received and that some may come to understand the Gospel.
- December 17 - Our annual Christmas program is shaping up nicely with a sketch, special music, crafts and activities for the kids. After the Christmas message we will treat our guests to a time of refreshments. **Pray** especially that any and all visitors will see their need for Christ.
- December 17 - In the evening, our family will go caroling and take Christmas treats to the neighbors. **Pray** for their salvation.

May the Lord bless you as you enjoy this special season and as you give thanks to God for His unspeakable gift!

In an attitude of gratitude,
