AT LAST!!

For some time now we've been asking you to pray *with* us that the signature of the land-lease for our construction project would come to fruition. On the 27th of November we met with the mayor and finalized the deal! To God be the glory!

WOULD YOU BELIEVE?

About 2 weeks after the signature of the land lease we received an unexpected phone call from City Hall. They wanted to know if we were interested in an additional 2100 square feet tacked on to our allotted property at no extra cost! This is of course fantastic news and we are excited about the chance to have additional space at our disposal. It is still unclear if the space can be used for the actual church building itself or if it will simply be extra acreage for the property. Until we receive a clearer answer on the extra square footage, our architect has to come up with 2 separate plans. Of course our desire would be for a larger building, but that would come with additional costs. While Jehovah Jireh has provided so many miracles to this point, we ask you to pray with us for the advancement of this incredible new development!

We asked you to pray with us for the multiple events and activities planned around Christmas. The hope of Emmanuel was expressed time and time again in multiple venues and events. May the Savior continue to guide and bless us in the months to come!
