March/April 2025

Spring has sprung and with it signs of new life can be seen everywhere. Easter will soon be upon us and with it comes the reminder of the new life available to us in Christ.

The first weekend of April will be our annual egg hunt for kids at our house. The kids will do crafts, play games, hunt Easter eggs, eat some goodies and listen to the Easter story. Please pray for their little hearts to be open to the Gospel message & that some of their families would come to our Easter service!

Two weeks later will be our festive Easter program with a sketch and special music. Our annual Easter celebration is usually well-attended, but this year it falls right in the middle of spring break! We pray God will bring those who need to hear the story of Christ's death, burial & resurrection and the hope and peace He offers.

The last few weeks we've had the unmistakable need to add chairs as folks continue to file in. In those seats we see a beautiful combination of folks looking for a deeper relationship with Christ and a church home. Included in those chairs are those who haven't yet accepted Christ as Savior but are getting closer to accepting the life changing power of the Gospel.

May the glorious news of His gospel fall on ready ears and willing hearts this Easter season in France and around the world!

Because He lives,
Lance, Amy, Kirianna, Cannon & Kayne Auterson
