With 2026 fast approaching it's hard to fathom how quickly this year has flown by. With everything we've seen the Lord accomplish and with what we are trusting Him for in the months ahead, we ask you to join with us in prayer!

Please pray for:

PEOPLE!

Jean-Paul (71) accepted Christ earlier this year and is growing in grace. He weekly encourages us with his faithfulness and desire to learn. Amandine (17) recently came to Christ at a church activity and is courageously living out her newfound faith in public school. For months Florian has been like a sponge, faithfully soaking up God's word every Sunday. He's had to move farther away and is unable to attend right now. His understanding of the Gospel is growing as is his desire to get back to church. May he soon join the ranks of the redeemed!

PROGRAMS!

Our annual Christmas service is fast approaching and with it will come folks who don't normally go to church. May the truth of Christmas shine into hearts needing peace on earth.

PROJECTS!

After 2 years of pop-up church in our current building, the city is moving us to a different site. We'll have much better exposure but will be losing some space and flexibility. Meanwhile the construction project awaits the approval of our building permit. Once that arrives in January, we should finally be able to break ground in the spring!

"Only 1.5% of France's population is considered evangelical."

PURPOSE!

Pop up church every Sunday and moving from site to site can be tiring. Then there's our drawn-out, expensive building project. It's only fair to ask, *is it all worth it?* A recent study has confirmed what we already suspected. Only 1.5% of France's population is considered evangelical. This figure puts France in the category of an "unreached people group"! There is our answer to any question about the value of shining the Gospel light in this needy region.

Yours for souls in France,
