Baptisms

On June 20th we will have a baptismal service with five people following the Lord in believer's baptism! Please pray for these five Christians - that they would continue to grow in the grace and knowledge of Jesus Christ.

Building

As God continues to grow His church here in Lieusaint, we continue to pray that we would have our own building soon. We've been praying some time now for that ever-elusive building permit from the local government offices. It should be finally approved any day now! Once we are able to post the permit on the land, we will then need to wait three months before we can begin construction! Please pray we get this permit before July, when most of the country "shuts down" for vacation!

Health

We would appreciate your prayers for Amy's health. She is having problems with a knee that keeps swelling, limiting her mobility. She had the same issue a few years ago. It stopped for a while and now it is back. Pray that the Doctors would be able to find the problem and adopt the appropriate treatment.

May we set our mind on things above remembering that the things that are seen are temporary, but the things that are unseen are eternal!

To the praise of His grace,

Lance, Amy, Aliyah, Cannon & Kayne Auterson
